Dear Friends and Family,

June 4, 2010

“The wheels on the bus go round and round...” “...la La la La, la La la La, Elmo’s world...” It’s amazing the things you’ll sing to your one year old to quiet him down on an 11-hour drive! =)

SAFE TRAVEL! In our travels, my wife claims to have counted (dead or alive) 3 possum, 7 groundhogs, 3 rabbits, 6 turkeys, at least 15 deer, an eagle, and a wolf—and I don’t doubt her; her eyes work very well. In fact, she can spot a Chick-Fil-A from a mile away. =)

ON THE ROAD AGAIN! In a few short weeks we will make the 1,211 mile trip to Florida for two meetings and a chance for Casandra’s family to meet Joshua. Pray for safe travel and opportunities to witness along the way.

BABY BLUES. Due to Casandra’s pregnancy we have decided to stay close to NJ until the baby is born in November and need **more meetings** in the surrounding states. Please pray for her as she enters her fourth month and endures a strict diet and four daily doses of insulin. We are not stressing because we know that this baby is also safe in God’s hands.

On a lighter note, Joshua is a wonderful assistant in visiting churches, he shakes people’s hands, leads the singing just like he used to see Daddy do in Peru, says bye-bye (and other cute animal sounds...), but occasionally gets into trouble, running in church, playing the piano, putting "Smackdown" moves on other babies in the nursery, throwing chocolates at the pastor--ok, that only happened once--hit him right in the lip! Wow! I hadn’t realized how much Joshua had contributed to deputation until right now!

Upcoming Events in June:

- 18th: Driving from NJ to FLORIDA
- 27th: Victory Baptist, Tampa, FL
- 30th: Calvary Baptist, Ft. Walton Beach, FL
- Pray for our summer schedule to fill up quickly.

REASONS TO PRAISE HIM. During our first missions conference at New Durham Baptist Church at least one person was saved, and we thank God for the opportunity to worship together with other missionaries and pastors who have a heart to serve. We also enjoyed an impromptu presentation while visiting a friend’s church in North Carolina.

I WANT TO GO HOME. Aside from heaven, Peru is home for us and we anxiously await our return. God has blessed us with two new supporters and others who are praying about it. We are now up to about **17%** of our needed support. It may sound small but “Nothing is impossible with God.” Please continue to pray for us and the field of Peru.
